## WELCOME LETTER

Dear Colleagues,

A warm welcome to the **"22<sup>nd</sup> Annual National Conference of Indian Chapter of International Hepato - Pancreato - Biliary Association"**, in association with **"The 2<sup>nd</sup> Liver Summit"**, scheduled to take place from the **26 to 28 Feb, 2026**, at Jaipur Marriott Hotel. We have also curated multiple scientific workshops to benefit the trainees and young surgeons at MGMCH, Jaipur, on **1st March**.

We are thrilled to have you join us in the vibrant city of Jaipur for this prestigious event.

Building upon the success of previous editions, IHPBA INDIA 2026 continues its tradition of bringing together leading experts in HPB surgery, Transplant surgery, and related specialties.

This year, we will focus on contemporary advancements, real-world challenges and case-based debates on controversial topics, ensuring a rich and practical learning experience. Brainstorming sessions on the integration of Augmented and Mixed Reality for enhanced intraoperative precision, along with discussions on real-world applications of Artificial Intelligence in HPB surgery and their transformative impact on surgical outcomes, will form an integral part of this academic extravaganza.

Your participation not only contributes to the collective knowledge pool but also strengthens our shared mission of improving patient care through innovation and collaboration.

Jaipur, with its cultural heritage and welcoming atmosphere, provides the ideal setting to foster meaningful connections and professional growth.

We look forward to welcoming you to Jaipur for an enriching and inspiring experience.

Best regards,

**Dr. Naimish N. Mehta**  
Organizing Chairman  
IHPBA INDIA 2026
